If the COVID-19 situation changes in your area during the bidding process and it will inhibit your ability to fulfill your bidder/buyer obligations (i.e. make / arrange pickup), contact MaxSold about your options.

If you are ill for pickup, send someone else. If that cannot happen, contact Support to discuss alternatives which may include financial resolutions during this unique operating environment.

Be prepared for all pickup category times to be strictly enforced to support social distancing and the overall health and safety of the seller, team, and other buyers patiently waiting for their opportunity to get their items. MaxSold will be increasing the pickup time to support social distancing and lower volumes of buyers on site at any given time. Keep in mind that complaints from neighbors due to an abundance of people and/or vehicles in the area all at the same time may result in the authorities cancelling the auction pickup - please be respectful of the pickup times and categories.

Time slots are listed in the description and often at end of title. Please come to the later time if you have multiple category time slots, but arrive with enough time to pack and move your items before the doors close. By departing from the site you agree that you have all the correct items and are satisfied with them.
